Re: Petition of Vermont Transco LLC, and Vermont Electric Power Company, Inc. (collectively, "VELCO"), for a Certificate of Public Good pursuant to 30 V.S.A. § 248(j) authorizing upgrades to VELCO's existing Tafts Corner Substation, located in Williston, Vermont

Dear VELCO:

On July 20, 2023 the Williston Planning Commission received notice from you of Vermont Electric Power Company's (VELCO) intent to make upgrades to VELCO's existing Tafts Corner substation in Williston, Vermont all within the exiting substation fence. The primary upgrades consist of (1) connecting an existing spare 115/13.2 kV transformer that is currently located at the substation; (2) installing a new 115 kV ring bus breaker on an existing foundation; and (3) installing a new 115 kV voltage transformer with foundation (the "Project"). We have reviewed the Project description provided by VELCO and we waive the 45-day advance notice requirement, as permitted by 30 V.S.A. § 248(f).

Sincerely,
Williston Planning Commission
