Docket No. 7373

**CARL FERENBACH AND JUDY FARENBACH'S REBUTTAL TO ISO NEW  
ENGLAND'S SUPPLEMENTAL  
MEMORANDUM IN SUPPORT OF ITS MOTION TO INTERVENE**

Comes now Carl Ferenbach, III and Judy W. Ferenbach, by their legal counsel, and responds to ISO NEW ENGLAND'S SUPPLEMENTAL MEMORANDUM IN SUPPORT OF ITS MOTION TO INTERVENE, and states as follows:

LAW OFFICES OF  
George W. Lamb, P.C.

1) The Ferenbachs conceded that ISO New England should be allowed permissive party status with respect to the interests and issues described 30 V.S.A. §248 (b) (3) and (7);

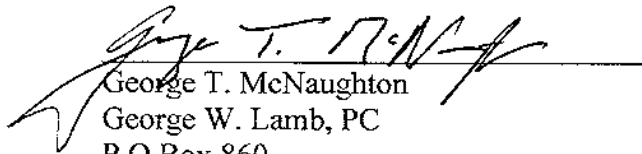

2) ISO New England, Inc., has failed to demonstrate why its interests are not being adequately represented already in these proceedings with respect to 30 V.S.A. §248 (b) (2);

3) ISO New England has in its response made no assertions which would support its being granted participation rights on any issues other than 30 V.S.A. § 248 (b) (2), (3) and (7), and that with respect to issues relating to (b) (2) has failed to make an adequate demonstration as to their interests not already being adequately represented.

4) ISO New England has asserted that Ferenbachs have no standing to object to the participation of ISO New England. In response Ferenbachs would suggest to the Board that they have as much interest in avoiding delay and expense in these proceedings as any other party to the proceedings, and further have a specific interest in limiting redundant testimony and delay regarding issues pertaining to 30 V.S.A. §248 (b) (5).

WHEREFORE, Carl Ferenbach, III and Judy W. Ferenbach renew their request that ISO New England, Inc. be granted party status only as to issues set forth in 30 V.S.A. §248 (b) (3) and (7).
