Reference: Cancellation of Schedule 21-VELCO

Dear Ms. O'Neill:

On February 14, 2011, as amended on February 25, 2011, Vermont Electric Power Company (VELCO) submitted for filing a Notice of Cancellation of Schedule 21-VELCO which is part of ISO New England's FERC Electric Tariff No. 3. You state that no service has been taken under Schedule 21-VELCO since June 30, 2006, and that there is no prospect of VELCO providing transmission service in the future because VELCO no longer owns any transmission facilities.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. §375.307, your submittal in the above referenced dockets is accepted for filing and made effective on April 1, 2011, as proposed.

Notices of the filings were published on February 14 and February 25, 2011, with comments, protests, or interventions due (respectively) on or before March 7 and March 18, 2011. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motion to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure, (18 C.F.R. § 385.214). An opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation or practice affecting

such rate or service provided for in the filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now or pending or hereafter instituted by or against VELCO.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Jignasa Gadani, Director
Division of Electric Power
Regulation – East
