Re: Petition of Vermont Transco LLC and Vermont Electric Power Company, Inc.
(collectively, "VELCO"), for a Certificate of Public Good pursuant to 30 V.S.A. § 248(j)
authorizing upgrades to VELCO's existing Irasburg Substation, located in Irasburg,
Vermont

Dear Ed:

Today we filed the above-captioned Petition with the Public Utility Commission through the ePUC system.

The purpose of this letter is to request on behalf of VELCO a determination by the Department of Public Service under 30 V.S.A. § 202(f) that the request set forth in the Petition is consistent with the Vermont Electric Plan. A full copy of our filing has been emailed to you for your convenience.

Thank you for your consideration. If you have any questions, please call me.

Sincerely yours,

SHEEHEY FURLONG & BEHM P.C.
