CERTIFICATION RE: DEVELOPMENT OF LIST OF ADJOINING LANDOWNERS

This certification is submitted on behalf of Petitioner Vermont Transco LLC and Vermont Electric Power Company, Inc. (together “VELCO”) in connection with the 45-day Advance Submission for VELCO’s Petition requesting the Vermont Public Utility Commission (“Commission”) issue a Certificate of Public Good, pursuant to 30 V.S.A. § 248, for approval to install an Advanced Power Flow Controller at the VELCO Sand Bar Station in Milton, Vermont (the “Project”). Pursuant to Commission Rule 5.402(A), on March 21, 2025 adjoining landowners for the above-referenced Project were identified by reviewing the online Vermont Center for Geographic Information database, as confirmed by Lori Frohock, Assistant Assessor for the Town of Milton. Ms. Frohock confirmed that the list of adjoining landowners developed using the above-referenced online database provides accurate and current information regarding parcel ownership within the municipality. The list of adjoining landowners is included in the Certificate of Service submitted to the Commission concurrently with this certification and the Advance Submission for this Project.

Dated at Rutland, Vermont this 28th day of March, 2025.

VERMONT TRANSCO LLC AND
