

Request for Quotation Solicitation for Project: PV20 SmartValve

- **RFQ Reference:** Solicitation ID #1294901 for Materials for SmartValve Project
- **Issued Date:** October 6, 2026
- **Issuing Activity:** Vermont Electric Power Company (“VELCO”) located at 366 Pinnacle Ridge Rd, Rutland, Vermont 05701
- **Description of Requirement:** This Request for Proposal (“RFP”) solicits proposals for a qualified Contractor to provide individual quotations for the items listed in the Bill of Materials in support of VT Transco’s PV20 Sandbar Project (the “Work”) The work is funded, in whole or in part, by the United States Department of Energy (DOE). The Contractor shall comply with all applicable (DOE) Flowdown Provisions as referenced in the RFQ Solicitation.
- **Closing Date and Time:** October 20, 2026 at (1700 hours EST)
- **Contact Information:** Joshua Chilson
Manager – Contracts, Procurement & Inventory
+1(802)712-4747
jchilson@velco.com
- **Statement of Competition:** Bids will be accepted from all responsible sources. To be considered for award, responses must be timely received and conform to all material terms and conditions of this solicitation.
- **Evaluation Factors:** **Build America Buy America Act (BABAA) Applicable Certified Only**

The contract will be awarded to the responsible bidder whose proposal represents the best value to VT Transco, considering both price ($\geq$ 50%) and non-price (cumulatively $\leq$ 50%) evaluation factors. The evaluation will assess the relative qualities of each proposal solely on the factors and significant subfactors specified as follows and as referenced within the RFP solicitation: Technical Approach & Suitability to Perform the Work, Past Performance & Safety, Contract Terms Acceptance, and Price.
- **How to Obtain the Full RFP:** Please reach out to Joshua Chilson (contact information listed above) for instructions on where to download the complete RFP solicitation.
